5. Tentative Kilometre to be covered for entire district as per annual action plan 2023-24 & route chart as annexed per month in Annexure B	
6. Performance Security @ 5% of approximate annual value in form of Bank Guarantee/DD	

The disposal process of all the legacy or accumulated waste by the concerned CBMWTDFs to be completed within one year i.e. by 31.12.2025. Further, disposal of currently generated expired & NSQ drugs are to be carried in regular manner as per the rate given above. Disposal of expired & NSQ drugs at HCF level will be carried out in yellow category of regularly generated Biomedical Waste of HCF without any extra cost. The SOP on disposal of expired & NSQ drugs to be followed as per letter no- 999, dated 18.02.2025 of DPH, Odisha.

Monthly bill to be submitted to the 1st party by 2nd party with required documents like certification from all the head of HCFs mentioning Biomedical wastes lifted from their HCFs on each alternate day with quantity details, kilometre of transportation details, EPF, ESI of the workers engaged by the 2nd party & GST deposit challan etc. for payment by the 1st party. The payment will be released to 2nd party by 1st party subject to availability of funds at district level. In case of non-availability of funds, the payment may be delayed as per allotment from the State from time to time. Bills should be scrutinized by the concerned authority of the HCFs before making the payment to 2nd party by 1st party at district level. List of HCFs are annexed in Annexure A.

The M/S. Utkal Envirocare (CBMWTDF) shall be liable to pay such direct & indirect taxes, duties, fees and other impositions levied under the applicable laws of India.

C. GENERAL TERMS AND CONDITIONS:

- i. All the workers engaged by the CBMWTDF agency shall have uniform of the agency.
- ii. All workers of the CBMWTDF agency shall bear photo identity card during the period of work, which shall be duly signed by the 1st party and 2nd party.
- iii. The CBMWTDF agency (2nd party) shall furnish the list of staff (above 18 years of age only) with proof of identity and address to the 1st party after allotment of service.
- iv. All the personnel to be engaged by the 2nd party shall be covered under the statutory government regulation framed from time to time.
- v. 1st party may request the 2nd party to withdraw any of his workers from the hospital without assigning any reasons thereof within a period of one week of prior intimation.
- vi. The CBMWTDF agency (2nd party) will abide by all the rules and regulation relating to labour laws, accident workmen compensation Act, workmen insurance, ESI, EPF, etc. this will be the sole responsibility of the 2nd party. 1st party will not be a party at any stage if any kind of dispute relating to the above. In case any liability arises due to non-performance by the 2nd party, under no circumstances, the 1st party shall be liable for the same.
- vii. Any damage / pilferage to the hospital property due to mishandling, carelessness of the 2nd party by his workmen will be recovered from the CBMWTDF agency's (2nd party) bill and all materials issued to the Third party shall be his sole responsibility during the period of contract.
- viii. The CBMWTDF agency (2nd party) should depute a qualified and dedicated staff (trained in the field of BMW) to manage the waste management activity in the hospital and will co-ordinate in executing the same with the waste management committee of the hospital and be responsible for supervision of the work at regular interval with a report compliance to 1st party.

Utkal District Hospital, Bhubaneswar
Public Health Officer

UTKAL ENVIROCARE
Partner

- ix. All the employees of 2nd party shall be covered under insurance against any personal accidents and the 1st party will not be liable for payment of any compensation on that account.
- x. During execution of work, the 2nd party shall follow all standard norms of safety measures, precautions to avoid accidents/damages to person, machines and building etc. On non-performance to this clause suitable fines as decided by the 1st party will be imposed.

D. SEGREGATION, COLLECTION, TRANSPORTATION & TREATMENT OF WASTE :-

- i. Generator of the Bio-Medical Waste is responsible for providing segregated waste to the CBMWTF agency. The wastes shall be segregated as per the provisions of the Bio-Medical Waste Management Rules 2016. The CBMWTF agency shall report about the non-segregated waste to the hospital/district authority. The designated colour coded polybags will be put in respective colour coded bins and lifted from time to time after they become two third full. Bags are to be closed by tying a string and taken to the plant site for disposal. Each bag shall be as per BIS Standards or Bar code system for effective management of Bio-Medical Waste under the provision of Bio-Medical Waste Management Rule, 2016 as amended. The coloured containers shall be strong enough to withstand any possible damage that may occur during loading, transportation or unloading of such containers. All the bags/ containers/ bins used for collection and storage of bio-medical waste, must be labelled with the Symbol of Bio Hazard or Cyto-toxic Hazard as the case may be as per the type of waste in accordance with the BMW Rules, 2016. Sharps shall be collected from all the generation points of the hospital. The person responsible for collection of Bio-Medical Waste shall also carry a register with him to maintain the record such as name of generation point, type and quantity of Waste received, signature of the Authorized person (I/C of the ward/unit or anybody duly assigned that duty), date and time of collection, etc.
- ii. The CBMWTF agency will implement the barcoding of Biomedical wastes generated from concerned units of HCF till disposal of waste at CBMWTF & tracking of vehicles by required hardware (GPS Device) & consumables like Barcode sticker as prescribed by OCAC by which the wastes generated from concerned units of HCF to till disposal of waste. The whole process being uploaded into the software developed by State through OCAC.
- iii. The timing of collection of the waste will be preferably within 6AM- 8 AM and 2 PM-3PM daily before OPD hours/IPD rounds (Intramural transportation). Further transportation from Storage room to CBMWTF (Extramural transportation) on each alternate days which should not exceed 48 hours as per BMW Rules. Before intramural transportation, the manpower of the CBMWTF agency should ensure the replacement of polybags in bins & cleaning of bins.
- iv. The Bio Medical Waste collected in poly bags shall be transported to the Common Bio-Medical Waste Treatment Disposal Facility (CBMWTF) in a fully covered vehicle. Such vehicle shall be dedicated for transportation of Bio-Medical Waste. The coloured coded polybags of appropriate size and colours with bio-hazards marking will be provided by the CBMWTF agency. Covered trolleys for intramural transportation of Biomedical Waste from different units of HCFs to Storage area will be provided by 1st party, but the regular maintenance of the said trolley will be carried out by CBMWTF agency.

E. RECORD MANAGEMENT AND MAINTENANCE OF LOG BOOK

- i. The 2nd party shall maintain all the records related to bio-medical waste management of all the units. Daily records shall be maintained for the waste accepted and treated; waste removed from the site. This record shall include the following minimum details.

12345 District Medical Officer
Public Health Officer

HTKAL ENVIROCARE
Responsible Person
Partner

ii.

a. Waste Accepted: - Waste collection date, time, name of the health care unit, waste category as per rules, quantity of the waste category as per rules, quantity of waste, vehicle number and receiving date & time (at site).

Treated Waste at CBMWTF: - Date, treated waste type, quantity, vehicle No. and location of disposal.

b. **Log Book:-** A log book shall be maintained for each treatment equipment installed at the site and shall include the following:

- The weight of each batch
- The categories of waste as per rules.
- The time, date and duration of each treatment cycle and total hours of operation.
- The complete details of all operational parameters during each cycle.

iii. **Barcoding:** The concerned CBMWTF agency will implement the barcoding of Biomedical wastes generated from concerned units of HCF till disposal of waste at CBMWTF & tracking of vehicles by required hardware & consumables like Barcode sticker as prescribed by OCAC, by which the wastes generated from concerned units of HCF to till disposal of waste can be monitored & the whole process being uploaded into the software developed by State through OCAC. The required logistics & consumables for Barcoding will be supplied by the CBMWTF agency like GPS device on vehicles, Barcode Stickers & other hardware required at the end of CBMWTF agency as prescribed by OCAC.

F. **ELECTRICITY AND WATER SUPPLY:** 1st party shall provide water and electricity free of cost for operation of BMW Storage Cum Equipment area. However 2nd party will use these judiciously and will ensure that there is no wastage.

G. **TERMINATION OF AGREEMENT:**

- The 1st party will be at liberty to terminate, without assigning any reasons thereof, the contract either wholly or in part after giving notice to the CBMWTF Operator (2nd party) at least 30 days before the proposed date of termination. The CBMWTF Operator shall not be entitled for any compensation whatsoever in respect of such termination. Further the agreement will change immediately after new CBMWTFs if any come into operation or capacity expansion of existing CBMWTFs achieved or gap analysis process is completed with one-month prior notice for termination of agreement by the 1st party to 2nd party.
- If the 2nd party on account of any infringement of the conditions of the contract or violates any BMW Rules 2016, the 1st party would have the right to recover compensation from the CBMWTF Operator besides forfeiture of Security deposit.
- The CBMWTF Operator is expected to comply with the provisions of Term of Reference and timelines suggested therein. Failure to comply with the above may culminate in deduction from their bills of an amount commensurate with the impact of non-compliance or even termination of the contract to be decided by District authority at their sole discretion.
- The CBMWTF Operator should orient/ re orient the staffs on regular basis preferably quarterly once on Biomedical Waste Management Rules 2016 & its handling.

H. **PENALTY CLAUSE:**

- In case of any deviation in the Agreement, 1st party can deduct 1% of monthly bill of 2nd party for each instance. After 3 consecutive deviations, 1st party can serve show cause to 2nd party & deemed action can be taken by the 1st party. Three unsatisfactory reply to show cause by the 2nd party will lead to termination of agreement with forfeiture of performance security.

- In case the M/S. Utkal Envirocare (CBMWTDF) does not submit their complete sets of monthly report of a particular facility along with bill with the assigned authorities, the payment will be delayed and there will be no penalty on the District to pay any interest there upon.
- In event of non-delivery of services or delayed services, the occupier/contracting organization will impose a fine of three times of the value of monthly bill of the contracted service.
- Performance review shall be carried out on a quarterly basis based on Score card by taking into account of relevant indicators for assessing performance of the implementing agency as per the criteria, Scoring Indicators as per Annexure C.
- The extent of penalty as follows:

Total Score	Extent of Penalty from Bill Amount
< or = 70%	2 % penalty from Bill
>70% and < 80 %	1% penalty from Bill
= or >80%	Zero penalty

I. IN WITNESS WHEREOF.

- The parties have to execute this AGREEMENT in accordance with the Indian Law the day, month and the year first above written.
- Any matter not covered by this agreement will be mutually settled by the parties to this agreement. In case of dispute between the parties, the decision of the District Level Monitoring Committee (DLMC) of Keonjhar will be final.
- Legal proceeding if any shall be subject to Keonjhar district jurisdiction only.

Sl. No.	Criteria	Assessment Method	Means of Verification	Compliance (0/1/2)	Remarks if any
1	Supply of Consumables as per agreement	OB/SI/RR	Check the records, interview the personnel & observe during daily visit that, all the required consumables like colour coded polybags, NaoCl solution & PPE etc. are supplied by the CBMWTDf agency as per the requirement of HCF		
2	The facility has started undertaking actions for bar coding system	SI/RR	Check the records and interview the personnel to ascertain that the CBMWTDf agency has started actions for supply of Barcode stickers & installation of GPS device on vehicles for Barcoding as prescribed by OCAC & reflected in the software		
3	Transportation of biomedical waste is done in closed container/trolley	OB/SI	Check, transportation of waste from clinical areas to storage areas is done in covered trolleys / Bins. Trolleys used for patient shifting should not be used for transportation of waste.		
4	No Biomedical waste is stored for more than 48 Hours	SI/RR	Verify that the waste is taken by the CBMWTDf agency within 48 hour of generation. Check the record especially during holidays		
5	Recyclable waste is disposed as per procedure given in the BMW Rules 2016 and its subsequent amendments	OB/SI/RR	Check if Recyclable waste (catheter, syringes, gloves, IV tubes, Ryle's tube, etc.) is shredded / mutilated after treatment (options autoclaving/microwave/hydroclave) and then sent back to registered recyclers. Alternatively it can also be sent for energy recovery or road construction. Ascertain that waste is never sent for incineration or land-fill site.		
6	Orientation/ re orientation training of staffs deployed by CBMWTDf agency	RR	Check the records showing the orientation/re-orientation of staffs deployed by the CBMWTDf agency on each quarter		
7	Annual health check-up of staffs deployed by CBMWTDf agency	RR	Check the records showing the annual health check-up of staffs deployed by the CBMWTDf agency		
8	Vaccination of staffs of staffs deployed by agency	RR	Check the records showing the vaccination (Hepatitis B & TT) of staffs deployed by the CBMWTDf agency
